DEDICATION

This year's dedication goes to a person who, in countless ways, builds the morale of students and aids them in the quest for learning and good citizenship. In order to express our appreciation to a person so patient and gracious as our dean of girls, we, the 55-56 Rambler Staff, dedicate this book to you, Mrs. Crouch.

OUR PRINCIPAL

Dear Students:

This annual represents three-fourths of a school generation. We are finishing the third year at Pleasant Hill High School. No longer are we the youngest high school. This book symbolizes the completion of a junior year in the history of this school, and as always at the completion of the junior year comes a time to look back at the past three years and ask, "Has the job been well done?"

Whatever the answer, it is our final chance to really do an all-out task in the fourth and senior year. While in truth it will be the fourth year, it will not be the final year, but only the first in a succession of final years for the graduates of Pleasant Hill High School.

This annual will represent to every student the joy and sorrow of their high school days. It will bring back memories and events of former years. It will, as the years go on, become one of your prize possessions. Read it well and guard it well, for as you look back in the years to come it will signify the happy days of your high school life.

A. C. BLOOM
Principal

OUR DEANS

Mrs. Crouch is known and liked for the friendly helpful way she goes about solving the problems, both large and small, of our students. Her patience and understanding are endless, and she works unceasingly toward building and developing our ability to think for ourselves and becoming better citizens.

New to our campus this year is Mr. Della. His guidance in our social and scholastic problems has been an immeasurable aid in building the character of our students. The interest he shows in the students of Pleasant Hill High is boundless.

GUIDANCE DEPARTMENT

MARGERY CROUCH

Under the able leadership of Mrs. Margery Crouch and Mr. Robert Wilkinson, the guidance department assists the students and teachers of Pleasant Hill High School.. Scheduling classes, programming students, and interpreting vocational and educational test results, are some of the duties of this department.

A counselor cannot be found who is too busy to help a student needing advice on school or personal problems. Counseling the students this year are: Mr. Bob Hogan, Mr. Bil Gingrich, Mrs. Bobbi Lytle, Mr. Willis Goins, Mr. Norman McRae, Mr. William Ferguson, Mr. Robert Wilkinson.

STUDENT COUNCIL

. . . I will uphold the trust placed in me by the student body so that my conduct will bring honor and credit to myself, my office, and Pleasant Hill High School . . . With these words the newly-elected Student Council officially began its duties for the '55-'56 school year.

The project first attempted on their new-fitted wings was that of raising money for band uniforms and choir robes. The Council conducted a magazine sale drive, ending with the goal that had been set broken by more than $1,000, thanks to the cooperation of the Student Body.

With the Council working all year on various other projects, the school profited greatly in many ways. All in all, may we say to the council, a job well done!

HOUSE OF REPRESENTATIVES

The House of Representatives is an important part of student government at Pleasant Hill High School. Most bills pertaining to finance originate in the House. It also provides the most direct means for student opinion to make itself felt.

The House is composed of the student body vice president, the Sales and Finance Commissioner, and a representative elected from each homeroom to represent the general student body and to convey their suggestions, proposals, and resolutions.

Chairman of the House is the student-body vice president. Other officers are the vice chairman and the secretary, who are elected by the House from among the members.

SPRING SEMESTER — Front row: A. Lujan, M. York, C. Spotswood, K. Wald, R. Allan, S. Courtamanche, G. Funk, J. Weir, B. Lamb, D. Kelly, S. Crippin, J. Rose, P. Silva, A. Hall, M. Damanchki. ART CLUB

The purpose of the P.H. High Art Club is to create more interest in the field of art.

Among the club's activities this year were their annual dance, trips to San Francisco art exhibits, tour of California School of Arts and Crafts, formal dinner, guest speakers and lectures.

This active club, which doubled its membership this year, hopes to keep its annual dance as a tradition for years to come.

OFFICERS—Margaret Abbay, Historian; Wally Ann Wallace, Finance; Joyce Moroni, Secretary; Jo Ann Quinlivan, President; Margaret Finch, Vice President; Mr. Watson, Advisor.

CADUCEAN SOCIETY

About thirty active girls make up this year's Caducean Society. The group is made up entirely of girls who are interested in science, especially in various phases of medicine, such as nursing, physical therapy, etc.

Among their activities this year, the girls gave a Christmas party for a rest home in Concord. The club also organized a trip to St. Joseph's College of Nursing, where they listened to speakers, met the girls in training, and had a sports outing later in the day. The girls also had a charter dinner at P.H.H.S.

The Caducean Society is looking forward to an active program next year.

The Caducean Society helps to further the interest and knowledge of the medical professions.

F.B.L.A.

Future Business Leaders of America seeks to develop competent, aggressive business leadership, to strengthen the confidence of young men and women in themselves and their work, and to create more interest and understanding in the intelligent choice of business occupations.

F.B.L.A. has one major project each semester. Their fall project was to make and fill Christmas boxes for children at the county hospital. For their spring project they did typing and duplicating for community organizations.

In the fall they held a smorgasbord dinner preceding installation and initiation ceremonies. This spring they held their annual "Splash Party" at a local swimming pool.

SCIENCE CLUB

The Science Club is an organization for those students who are interested in science and who usually intend to follow it up in later life. Much of the first and second semesters was spent in preparing projects to be exhibited at the annual Bay Area Science Fair.

The officers planned an interesting year's program, which included a field trip to the University of California science department in the spring.

The main purpose of this club is to allow the members to pursue their personal scientific interests and to stimulate an interest in science throughout the school.

LOS MORUECOS

Los Moruecos, the Spanish Club, has been quite busy this year with several activities. The purpose of this club is to teach Spanish students more about the language and the customs of Spanish-speaking countries.

The only requirement for membership in Los Moruecos is that a student must be enrolled in any of the Spanish classes.

One of the many activities that took place this year was a Spanish Christmas party which was held at P.H.H.S.

DRAMA CLUB

Under the guidance of the advisor and the officers, the Drama Club has added much to the entertainment of our school. Most of the behind-the-scenes work such as make-up, scenery, costumes and ticket selling is supervised by this club.

The members are students who either have been involved in a major production or have taken two semesters of drama. Thanks to the help of the Drama Club, this year's entertainment at P.H. has been truly outstanding.

C.S.F.

The primary purpose of the California Scholarship Federation is to stimulate academic interest and spirit among high school students and to give recognition to those students who earn high academic honors.

The important activities of the year have been the field trip to the U.C. campus in the fall and the annual banquet in the spring. C.S.F. also aided the school this year in the promotion of picture sales.

Membership in C.S.F. is gained by attaining high grades and by taking part in extra-curricular activities. Students who remain in C.S.F. for four of their last six semesters in high school become eligible for a seal-bearer award and are entitled to special scholarships.

This year's seal-bearers, Doug Campbell, Carole Cail, Arlette Knudsen, Joanne Quinlivan.

MARMS AND MASTERS

The purpose of the Marms and Masters Club at Pleasant Hill High School is to stimulate student interest in teaching as a profession. The only requirement for membership is that the student be interested in teaching and be willing to learn more about the profession.

Members of the club joined other affiliates of the California Student Teachers Association to participate in the California Teachers Association Workshop held in the spring. On March 17 the club took a trip to Berkeley to visit the School of Education. They also went on a class observation trip to Oak Park Elementary School.

HI-Y

"To create, maintain, and extend, throughout the school and community, high standards of Christian character," is the purpose of Hi-Y. The club's various activities include basketball and softball competition with Hi-Y clubs from other schools, dances, trips, and club meetings once a week. This year the club's membership has nearly tripled.

CAMERA CLUB

The Camera Club is a newly organized club this year for the students who are interested in learning how to take and develop pictures.

Among their activities the Camera Club participated in a community photo contest in April, lectures and demonstrations at their meetings.

DRAMA

THE PIRATE

The Drama Department presented three major productions to the student body and the parents this year. In the fall they produced Cornelia Otis Skinner's "Our Hearts Were Young and Gay," a hilarious comedy of a trip to France. Starring in the play were Sande Jones and Ann Bradley, as two young girls who left on a trip to Europe for the first time by themselves.

With the coming of winter the Drama Department and the Music Department jointly presented the first annual Junior-
